The premises shall be used only for the purposes of a single family dwelling unit, and no livestock shall be kept thereon unless expressly stated in the attached instrument, Tenants shall make no unlawful uses of the premises, nor shall any nuisance be maintained nor any dangerous activities or use carried on which will or can adversely affect fire insurance ratings or constitute any hazard to the premises.
- b. If utilities are furnished, or to the extent utilities are furnished, Tenant agrees to conserve the same. Should Tenant's usage be excessive in the opinion of the Landlord/Agent, Landlord/Agent reserves the right to make an extra charge for such excessive use.
- c. Tenant expressly assumes the risk of loss or damage to the premises and shall pay for all such loss or damage caused by any freezing which results from Tenant's failure to provide proper heating or any shut off of utilities due to nonpayment of bills by Tenant. Tenant agrees to transfer required utilities into their name at time of occupying the rental or a \$45 billing fee, per utility account, will be charged by Law Property Management.
- d. If Tenant leaves the premises in a condition contrary to the requirements of this agreement at the termination hereof, Tenant agrees to pay the cost of cleaning or repairs necessary to correct such condition, and agrees that the security deposit paid to Landlord/Agent may be applied to such purpose to the extent necessary and will pay all and any charges that exceed the security deposit immediately. If Tenant is unable to pay these fees, Tenant agrees to set up a payment arrangement with Landlord/Agent within 10 days. Tenant further agrees to be responsible for Landlord/Agent's loss of rental income during any period, which is reasonably required to perform such cleaning or repairs in such event, and agrees that the security deposit paid to Landlord/Agent may also be applied toward the same.
- e. Tenant agrees not to play any musical instruments, radio, or television set loud enough to be heard by other tenants during the hours before 8:00 A.M. or after 10:00 P.M. No outdoor radio or television antennae of any kind may be installed in or about premises.

3. **DEFAULT BY TENANT.** In the event of Tenant's default in payment of rental, a breach of any of the other terms and conditions of this agreement, this agreement and Tenant's tenancy hereunder may be terminated upon 30-day notice in writing given by Landlord/Agent, or Landlord/Agent's authorized agent, to Tenant. Tenant shall, by the end of the 30th day following the giving of any such notice, either deliver up possession to Landlord/Agent or, correct the matter in default. Should Landlord/Agent be compelled to institute a legal action to recover possession of the premises by reason of nonpayment of rental by Tenant and should Tenant tender payment of rental after commencement of such legal action, Landlord/Agent shall not be required to accept such payments unless tenant pays the entire rental in default plus all actual attorney's fees, court costs, and service fees incurred by Landlord/Agent in said legal action up to said time. Any acceptance by Landlord/Agent of a sum less than the amount: a) shall be totally at Landlord/Agent's option and such payment shall be applied first to attorney's fees, court costs, and service fees incurred by Landlord/Agent in said legal action, then to rental; and b) shall not operate to stay said legal proceeding or as any waiver of

This clause applies in any lawsuit, action, or proceeding brought by Landlord/Agent to enforce Tenant's obligations under this Lease, whether or not the Lease is terminated and whether or not Landlord/Agent files a formal lawsuit, action, or proceeding in court. Landlord/Agent and Tenant expressly contract that, if it becomes necessary for Landlord/Agent to commence a legal action to recover possession of the premises by reason of nonpayment of other breach of this agreement by Tenant (Unlawful Detainer action), Tenant agrees to pay the reasonable attorney's fees (not to exceed \$850.00) incurred by Landlord/Agent in bringing such action to recover possession, and agrees that the Court may award such attorney's fees as costs in such legal action.

### SECURITY DEPOSIT

**RIGHT TO PRE-MOVE OUT INSPECTION AND REPAIRS AS FOLLOWS:** After giving or receiving notice of termination of a tenancy, or before the end of the lease, Tenant has the right to request an inspection of the property to take place prior to termination of occupancy. If you request an inspection, there is a \$50.00 charge for the inspection. This inspection is to give the Tenant the opportunity to correct deficiencies prior to vacating. Any repairs to be done to the property shall comply with applicable law. Repairs that require a license are to be performed by professionals with the proper licenses and insurance, with Landlord/Agent approval and at no cost to the Owner. Receipts must accompany repaired items. Repairs must be as good or better quality than received. Payment is due at time of inspection with certified funds.

Landlord/Agent will perform a move-out inspection *after* Tenant has **completely** vacated the premises. Vacated means that **all personal belongings have been removed** from the interior and exterior of the premises, all repairs and cleaning is complete, and all keys have been personally delivered to Landlord/Agent. Leaving keys in the premises **is not sufficient**. **Gas, electricity and water must be on.**

Landlord/Agent does not do the final inspection with the Tenant. When Tenant turns in the keys, Tenant is returning the Rented Premises in as is condition. By returning the keys, Tenant is accepting that they have done all the cleaning and made all repairs that they are going to do.

***The security deposit may not be used for payment of last month's rent.*** Should the Tenant fail to pay last month's rent, Landlord/Agent will serve a *3-Day Notice to Pay Rent or Surrender Possession* and assess service fee plus Tenant will be subject to late charges, court costs and all other collection fees.

The security deposit will be made payable to ALL signers of the Rental Agreement, original and subsequent add-ons, unless otherwise instructed by personally delivered written instructions from the party relinquishing his/her right to the deposit, no exceptions. No part of the security deposit will be returned until all tenants have vacated the Premises. Security deposit will be returned no later than thirty (30) days after all Tenants have vacated the Premises, and all keys delivered to Landlord/Agent.

In the event Tenant vacates the property prior to the end of the lease/minimum term, no security deposit will be refunded. As per your lease, early termination or breaking the lease results in forfeiture of the security deposit. Early termination charge, breaking lease fee shall apply.

In a situation where the Landlord/Agent contract is terminated by the Owner, Landlord/Agent will deliver the security deposit to the Owner or Owner's new Agent within 60 days, net all assessments and late charges owed Landlord/Agent by Tenant. Landlord/Agent will deliver an itemized accounting of the portion of the security deposit withheld. Upon official notice of Landlord/Agent termination, Tenant agrees to hold Law Property Management harmless for the return of the security deposit; Tenant will address the Owner or Owner's new Agent on all matters regarding the security deposit.

Return of the security deposit is subject to the following conditions:

1. Landlord/Agent has received a written 30-day Notice of Intent to Vacate. The thirty (30) days commences upon Landlord/Agent's receipt of the written notice. Should Tenant vacate before the end of the 30-day period rent will still be charged for the full 30 days, late fees may be applied.
2. Vacating by all occupants.
3. Forwarding addresses of all Tenants.

Tenant agrees to pay for:

1. Landscape clean-up. Landscaping should be in good condition and lawn mowed within 3 days of delivering possession to Landlord/Agent; shrubs should be trimmed, flower beds weeded, leaves should be picked up.
2. Removal of debris, rubbish, and garbage from the property. Removal of abandoned personal belongings.
3. Outstanding rents, late charges, returned check charges, maintenance charges and utility charges.

If the security deposit does not cover damages, tenant(s) will have ten days from the date of lease termination or vacancy to contact Landlord/Agent to make restitution. Landlord/Agent may hire a collection agency or go to court to collect money owed. The fees for the collection costs will be added on to the amount still owed to Landlord/Agent.

Tenant hereby acknowledges receipt of the "Move In-Out Condition Report" checklist. At the conclusion of this tenancy, Tenant agrees to restore the property to its condition at the commencement of this tenancy.

### **SECURITY DEPOSIT (continued)**

“Move In-Out Condition Report” checklist, Tenant has inspected the premises and hereby agrees that the premise is clean and in good order and repair. If anything needs repair or correction, Tenant agrees to give written notice of such to Landlord/Agent within three days of taking possession of the premises, so as not to be liable for said repairs.

Key points from Idaho Landlord/Tenant Guidelines:

1. The landlord has 21 days to return the tenant’s entire deposit or a partial refund and a written statement listing the amounts deducted from the deposit and how the deductions were spent. The 21-day period can be shortened or extended by an agreement between the tenant and landlord, but it may not be longer than 30 days. (Lease signed by tenant states 30 days).
2. The landlord may use the deposit for reasons designated in the lease, such as cleaning or repairs necessary to restore the rental to its condition at the beginning of the tenancy. However, landlords may not use the deposit to pay for ordinary wear and tear resulting from a tenant’s normal living activities. (Lease signed by tenant describes various situations where cleaning and repairs are deducted from deposits).
3. If a tenant fails to give proper notice and terminates the lease early, the landlord may use the tenant’s security deposit to cover the landlord’s actual expenses in re-renting the property. (Lease signed by tenant states requirements for proper notice).

**RENTAL AGREEMENT ADDENDUM**  
**Law Property Management**

**LANDSCAPE MAINTENANCE**

The Landlord/Agent is providing the checked items only:

<input type="checkbox"/> Front Yard Mowing	<input type="checkbox"/> Back Yard Mowing	<input type="checkbox"/> Trees and Large Shrubs
<input type="checkbox"/> Small shrub trimming (5 feet or less)	<input type="checkbox"/> Sprinkler Turn-on	<input type="checkbox"/> Sprinkler Winterization
	<input type="checkbox"/> No items are provided by Landlord/Agent	

***In the event Landlord/Agent provides landscaping services, it still remains the Tenant's responsibility to report problems, including missed days and unsatisfactory service by landscape contractor.***

Tenant agrees to be responsible for the care of the landscaping. "Landscaping" refers to lawn, small shrubs, and decorative areas such as areas covered with rock. "Care" includes: water, mowing, and fertilizing grass; trimming shrubbery; and keeping decorative areas clear of weeds and rubbish as necessary to maintain a neat appearance.

**Mowing:** Mowing should be done once weekly during growing season and less frequently during non-growing season. Mowing at longer interval harms the grass and allows weeds to infiltrate the grass areas.

**Watering:** Watering should be adjusted according to the conditions that exist during the time of the year; less during the spring, more during the heat of summer. Watering during the early morning hours increases the efficiency of irrigation by decreasing the effects of evaporation.

**Fertilizing:** Tenant agrees to fertilize using a "Weed and Feed" type fertilizer periodically throughout the year. It is recommended that fertilizer be applied in the early spring, midsummer and late fall.

**Sprinkler System:** It is your responsibility to clean and adjust sprinkler timers, heads and risers, and to repair broken sprinkler heads, no matter what the circumstances of breakage. Sprinkler heads and risers last indefinitely unless struck by mowers, stepped on, or driven on. Hardware stores such as Home Depot are very helpful with sprinkler problems. If the sprinkler system does not cover the entire yard, Tenant agrees to water the uncovered portion with a hose and sprinkler.

**Sprinkler Turn-on:** LPM will have the sprinkler system turned on and tested at the beginning of the watering season, usually in May. Tenant will be notified to turn on the timer. Tenant agrees that LPM will bill Tenant for this service.

**Sprinkler Winterization:** LPM contracts with a professional landscaping company that will perform the sprinkler system winterization, usually around October. Due to warranty issues, LPM will not allow Tenants to perform this. Tenant will be billed for this service.

**Tools:** Tenant agrees to supply all necessary tools and machinery required to properly maintain the yard. Unavailability of a lawn mower is not an acceptable reason for not mowing.

**Low Maintenance Landscaping:** If the premises contain bark, rock or other "low maintenance" landscaping, it is your responsibility to keep these areas clear of weeds and debris (such as paper and cans). Bark and rock used in landscaping must not be disturbed.

**Vacant Properties:** In the event the premise has been vacant prior to occupancy, the grass may vary or be slightly long. You are still responsible for regular watering and mowing. Dry grass will turn green with watering. "It was brown when I moved in" is not a reason for not watering.

**Weeds:** Nearly all rental properties have weeds in the lawn and other areas. The Tenant agrees to control the growth and spread of weeds around the entire property.

**Gravel areas:** All gravel areas need to remain weed free. Tenant agrees to weed and/or use a product like Weed-be-gone or Roundup to kill weeds.

**Changes:** The landscaping will not be changed in any significant way without the written permission of Landlord/Agent. Should you make a major change without written permission, you may be held responsible for the cost of installing new landscaping if not accepted by Landlord/Agent.

**Neglected Landscaping:** We do inspect all properties. If you are not maintaining your landscaping, you will receive a notice from Landlord/Agent. If the problem stated in the notice is not corrected, a landscaper will be hired at your expense to correct issues, or in severe cases, you may be asked to move.

**Inspection and Posting the Property:** An LPM staff person will perform drive by inspections. This is to ensure that lawns and the exterior of the property are being properly cared for by the resident. **A \$50 posting fee** shall be charged to cover the cost of labor, gas, and vehicle wear and tear to post the following notices:

- Yard care neglect i.e. lack of water, weeding, mowing, or pruning; Accumulation of personal items that need to be removed or stored out of sight; There is an RCV or an unlicensed or inoperative vehicle on the property; Unauthorized animal; And any other Care Violation which may include unsanitary conditions, negligence or neglect, damage outside of normal wear and tear, and/or an unsightly accumulation of junk.
- Don't Know What to Do? Questions regarding landscaping can be answered by local nurseries.

## RENTAL AGREEMENT ADDENDUM

### INSURANCE

Insurance responsibilities between Owner, Landlord/Agent and Tenant are only done according to State Legislation and the courts.

**The owner of the property you are renting, does not insure Tenant's personal property.** If you live in a condominium, the homeowner's association does not insure your personal property. Generally, except under special circumstances, the Owner or Owner's Agent is not legally responsible for losses to the Tenant's personal property or for temporary housing in the event the property becomes uninhabitable due to fire or flood.

Tenant agrees to accept financial responsibility for any loss or damage to personal property of Tenants and their guests and invitees caused by theft, fire or any other cause.

Tenant agrees to save and hold Owner and Agent harmless from any claim for damages to Tenant's personal property arising from any cause, including leakage from breaking pipes, loss of perishable foods or cost of fire extinguishing efforts.

Tenant shall indemnify Owner and Agent from liability arising from personal injuries or property damage caused by Tenants, their guests and invitees.

Following is a non-inclusive list of examples of possible costly misfortunes for which you could be held responsible:

1. A candle topples and starts a fire.
2. A refrigerator that stops operating by going out, not freezing or freezing interior foods and all perishable foods are damaged.
3. A grease or electrical fire burns your residence, destroying your unit or other units.
4. Your defective electrical extension cord(s) starts a fire, damaging the residence or property, and the personal property of others.
5. A friend or workman is injured while helping you move your appliances or furniture.
6. Someone hired to fix property or equipment, slips on the floor you just mopped.
7. Your locked car is broken into, and your personal property and that of a friend is stolen.
8. A burglar breaks in and steals your valuables.
9. A washing machine hose breaks and floods the property.
10. An electrical fire partially destroys the home, including your belongings.
11. Due to heavy storms, water enters the garage and damages your personal property.
12. Your residence is flooded due to levee breakage.
13. Your car is scratched, dinged or broken into.

If damage or injury to the Owner's property is caused by tenant or Tenant's guests, the Owner's insurance company may have the right to sue the Tenant to recover payments made on behalf or paid to the Owner. This is referred to as "subrogation." In other words, after an insurance company has paid an Owner for damages you caused, the company may go after you for the full amount of money paid.

The cost of renter's insurance is reasonable considering the peace of mind, protection and financial security that insurance provides. Consult with your insurance company to obtain costs of coverage. Also ask about fire, theft, personal liability, workers compensation or animal liability, if applicable. Your signed lease with LPM requires Tenant to provide their own insurance for their possessions (personal property) both inside and outside the Premises including minimum Personal Liability of \$100,000, within **30 days** of signing the lease.
